THE HBO ORIGINAL MOVIE/APRIL

A son murdered.  
A father's revenge.

But who pays the price  
for justice?

# ONE MAN'S WAR

Based on  
a true story.

ANTHONY HOPKINS NORMA ALEANDRO RUBEN BLADES

Straight from the headlines comes a searing, suspense-filled drama of one family's dangerous fight for justice. Anthony Hopkins (*The Silence of the Lambs*) stars as Joel Filitiga, a South American doctor who vowed revenge

when his son was tortured and killed by the military dictatorship. Norma Aleandro (*Gaby—A True Story*) plays the wife who joined him in a personal war that threatened their own lives and took them to the United States before ending with a landmark human-rights decision. (AS) 1:30. April 20, 23, 25, 28 

TOM HANKS

MEG RYAN

# JOE VERSUS THE VOLCANO

When an ordinary guy dumps his humdrum life, the laughs never stop in this romantic romp. Tom Hanks is a nowhere Joe until he makes a bizarre deal with businessman Lloyd Bridges: for six weeks of a king's lifestyle, he'll jump into a Pacific

island volcano. Meg Ryan has a triple role as co-worker, California girl and captain of the yacht sailing Joe to his destiny—or maybe theirs. With stunning sets, snappy banter and a sweet love story. (AL) PG-14. April 6, 12, 16, 21, 24, 29
